MEMORANDUM FOR: Dr. McMillan
Dr. Fubini

SUBJECT: NRO/JCS Operations Center

The attached exchange of correspondence between Director McCone and me on the above subject should, I believe, be self-explanatory. Will the two of you, working with the JCS, prepare a simplified form of agreement along the lines mentioned in Mr. McCone's and my letters, covering the arrangements agreed upon between D/NRO and JCS on the reconnaissance operations conducted for NRO by DoD elements.
